## Product Installation & Maintenance Suggestions

We would like to thank you for purchasing our products. We hope you and your children enjoy many imaginative hours of safe, fun playtime! To keep your child safe and to maintain our products in good condition, please read the installation and maintenance suggestions below.

### Curtains

**Double Panel Dimensions:** 57.8 cm / 20 ¾” width x 58.4 cm / 23” length per window at 2 panels per window. Finished width allows for gathering on rod.

**Other Details:** Curtains are sized to fit a standard window dimension of 65.5 cm / 25 ¾” width x 49.6 cm / 19 ½” height. Curtain rod and hanging hardware are included. Material varies; 100% cotton or 50% cotton 50% polyester, according to colour and pattern.

**Single Panel Dimensions:** 78.7 cm / 31” width x 66.0 cm / 26” length. Finished width allows for gathering on rod.

**Other Details:** Curtains are sized to fit a standard window dimension of 44.0 cm / 17 5/16” width x 57.0 cm / 22 7/16” height. *Two single panel curtains can be combined for use in larger sized windows such as 88 cm / 34 5/8” width x 57.0 cm / 22 7/16” height.* Curtain rod and hanging hardware are included. Material varies; 100% cotton or 50% cotton 50% polyester, according to colour and pattern.

**Maintenance:** Machine wash cold water, tumble or air dry and iron. Ironing starch may be used if desired.

**Installation:** Using the enclosed “cup hooks”, screw one hook into the mid-point intersection of each of the window framing’s top corners. The “rod” itself in an encased spring and has a bit of stretch in it so it should fit in most cubby windows near the above specified sizes.

### Welcome / Door Mat

**Dimensions:** 30.5 cm / 12” height x 50.8 cm / 20” width

**Other Details:** Made of Burlap / Hessian material.

**Maintenance:** Machine wash cold water, air dry, and iron using starch to stiffen.

**Installation:** To prevent slipping, the doormat comes with double-sided carpet tape. The parent or caregiver should remove the outside paper cover of the tape and adhere it to the floor to prevent the mat from slipping. If your child’s cubbyhouse does not have a floor surface in front of the door, you should consider another means of attaching it to the ground to prevent the mat from moving.

### Lamp Shade

**Other Details:** Material varies; 100% cotton or 50% cotton 50% polyester, according to colour and pattern. Hanging hardware included. **Please note that our lampshade is not appropriate for use with any lamp or light.**

**Maintenance:** Wash with a cloth and soap and water and air dry.

**Installation:** Using the enclosed “cup hook”, screw the hook into the ceiling peak in the desired location and attach the lampshade by its brass ring.

### Flower Box Flowers

**Dimensions:** Assembly sized to fit in 38.0 cm / 15” length x 9.5 cm / 3 ¾” width x 4.5 cm / 1 ¾” height window box

**Other Details:** Material varies; Burlap / Hessian, 100% cotton or 50% cotton 50% polyester, according to colour and pattern. Please note for longevity, the flowers are not appropriate for direct exposure to the outdoor elements and should be removed during inclement weather.

**Installation:** Using thumbtacks or pushpins, attach the flower assembly base to the inside bottom of the flower box.
